

Beyond the Sea

by Bobby Darin

Somewhere beyond the sea. Somewhere waiting for me. My lover stands on golden sands. And watches the ships that go sailin'. Somewhere beyond the sea. She's there watching for me. If I could fly like birds on high. Then straight to her arms. I'd go sailing. It's far beyond the stars. It's near beyond the moon. I know beyond a doubt. My heart will lead me there soon. We'll meet beyond the shore. We'll kiss just as before. Happy we'll be beyond the sea. And never again I'll go sailing. I know beyond a doubt, ah. My heart will lead me there soon. We'll meet (I know we'll meet) beyond the shore We'll kiss just as before. Happy we'll be beyond the sea. And never again I'll go sailing. No more sailing. So long sailing. Bye bye sailing.
